

**5 TIPS FOR SUCCESS**

# **NAVIGATING THE JOB MARKET DURING THE HOLIDAYS**

## **LEVERAGE HOLIDAY NETWORKING**

Attend those industry events, holiday parties, or even virtual gatherings to connect with professionals in your field. A casual conversation over a festive event could lead to new job opportunities.

## **UPDATE APPLICATION MATERIALS**

Use the quieter moments during the holidays to refresh your resume, LinkedIn profile, and cover letters. Tailor them to highlight the skills most relevant to your desired roles.

## **STAY ACTIVE IN YOUR JOB SEARCH**

Contrary to popular belief, many companies are still hiring during the holidays. Keep an eye on job boards and company websites, as some organisations aim to fill roles before the year ends.

## **APPLY STRATEGICALLY**

Be mindful of application deadlines and the holiday schedules of companies. Applying at the right time can help your resume get noticed.

## SET CLEAR GOALS FOR NEW YEAR

Reflect on your career aspirations and set actionable goals for the year ahead. Whether it's learning a new skill, pivoting industries, or landing a dream job, having a plan will keep you focused and motivated.
